### Corona-Temecula Orthopaedic Associates Joins MeadowView Medical Group as a Community Partner

Dear Doctor DaCosta,

As a MeadowView specialty practice, we look forward to working with you and your staff. We know that you and your patients have choices when emergency or elective orthopedic surgery is needed, so we want to assure you that Corona-Temecula Orthopaedic Associates is dedicated to the highest standards of orthopedic care throughout every aspect of our practice, from the surgeons to the office personnel.

For your convenience, and easy access to Corona-Temecula Orthopaedic Associates, we have updated our phone system to allow your office to reach our surgeons or schedule an immediate consult.

We value our partnership with you and all of your patients regardless of their insurance, and look forward to serving you in the near future.

Demetrio Quismorio, Jr., PA-C  
Orthopaedic Physician Assistant

### Andrew Hsiao, MD Joins CTOA

#### Andrew Hsiao, M.D. Orthopaedic Surgeon Sports Medicine & Shoulder Surgery

Andrew Hsiao joined Corona Orthopaedic Associates in September of 2009. Originally from Southern California, he has returned to the area after completing his undergraduate degree in biomechanical engineering at Stanford University, a medical degree at UC San Diego, and orthopaedic residency at Mount

Sinai Hospital in New York. He specializes in sports medicine and completed his fellowship at the Andrews Sports Medicine Institute in Alabama where he trained under the world renowned Dr. James Andrews, and Dr. William Clancy. During his fellowship, he served as the football team physician at Ashville High School, and the assistant team physician at Jacksonville State University. In addition, he participated in the surgical care of numerous professional and college athletes in baseball, football, mixed martial arts, basketball, gymnastics, and volleyball.

Dr. Hsiao specializes in sports medicine, arthroscopy and reconstruction of the knee, shoulder, hip and elbow. He has a unique interest in the treatment of cartilage loss. He has published articles in medical journals and has given presentations at orthopaedic conferences. During his free time, Dr. Hsiao enjoys spending time with his family and staying in shape.

### Jeffrey Martin, MD

#### Jeffrey A. Martin, M.D. Orthopaedic Spine Surgeon Specializing in Disorders of the Back & Neck

Jeffrey A. Martin, M.D. joined Corona Orthopaedic Associates in October of 2008. He received his medical degree at the University of Illinois-Chicago, and completed his post graduate training at Maricopa

Medical Center. Dr. Martin also completed a Specialty Spine Fellowship at the Surgical Specialty Hospital of Arizona. He was board certified in 2003 and has a special interest in spine problems from the neck to the lower back.

### Southern California's Top Ranked Orthopedic Team

Corona-Temecula Orthopaedic Associates maintains the top-ranking in Southern California with the addition of Dr. Andrew Hsiao, specializing in Sports Medicine and Arthroscopic Surgery.

### Testimonial

Two years ago, 88 year-old Corona resident, Reynaldo Aparicio, couldn't get out of bed in the morning without pain from his worn-out knee.

After a total knee replacement in 2007, performed by Dr. Carleton Wallace, founder of CTOA, he has returned to an active lifestyle.

Mr. Aparicio, now 90, proudly wears the Gold Medal for Tennis that he won in the Senior Olympics, Northern California, Summer 2009. He says, "I play tennis every morning, without pain or restriction, thanks to Dr. Wallace at CTOA."
